Part C – Comments

- 1) Procurements EuropeAid/138174/IH/SUP/MR (Scanner for MRA) and EuropeAid/138639/IH/SUP/MU (Hardware and Software under the National E-licensing Project) were initially conducted through open international tendering. However, following unsuccessful exercise, negotiated procedures were utilized.
- 2) The Decentralised Cooperation Programme has awarded 30 grants under the call for proposal EuropeAid/137-992/ID/ACT/MU
- 3) Evaluation for procurements MRA/583/193/iii (Deployment of World Customs Organisation Cargo Targeting System) and BPR/CF/30/30/85/44/3 (Business Process Re-engineering of Business Licences, Permits and Clearances of Public Sector Agencies in Mauritius) have been completed. We are awaiting endorsement of the draft evaluation report from EU.
