PART A: OVERVIEW OF DEPARTMENT

I. STRATEGIC NOTE

1. Major Achievements for 2008/09 and 2009 (July-December)

- Overall achievements in infrastructural works completed in different areas (Security, residential, sanitation and vocational related works is 55% and 45% will be completed in December 2009.
- A total number of 1024 detainees have been empowered in agro industry, industrial training, self skill, IVTB courses and numeracy programmes (CPE and distance education).
- Health of detainees
 - 98.6% of detainees, i.e. 1046 out of 1069 admitted have been medically examined.
- The average monthly admission of all detainees in prisons is 479, out of which more than 90% have been tested for HIV and counselled. 100% detainees who need anti retroviral treatment are receiving it.

2. Major Services to be provided (Outputs) for 2010-2012

Programme 291: Management of Prisons

• Improve the Prisons standard for better living conditions, security, and custody for detainees with the view of rehabilitating them.

Programme 292: Maintenance and Rehabilitation of Detainees

• Contribute to a safer community by providing offenders with better physical and mental health care and living standards so as to keep them to address their offending behaviour

3. Major Constraints and Challenges and how they are being addressed

• Rehabilitation of detainees is a quite complex task and these are being addressed with proper training and rehabilitation procedures.

Training of prisons officers professionally is an ongoing process. An expert from abroad has been employed to that effect.

A prison manual will need to be put in place, and is being worked out.

• Overcrowding aspect of prisons.

A new prison at Melrose with a 775 detainees capacity is being built. Work is planned to start early during year 2010.

Sanctioning of posts of officers for training is being awaited.

• Handling of a large population of HIV detainees in prisons is a major challenge.

Introduction of induction units, by appointing a psychologist for counselling and gearing the medical care to combat the challenge and also a proper education for risk behaviour.

Majority of detainees are drug addicts.

To address this challenge, the department has put in place the dynamic security, peer group educators, drug free units, and drug awareness campaigns and also introduced substitute maintenance therapy for which appropriate medical staff is awaited from the Ministry of Health and Quality life.
