

OUR REF. STO/14/76/1

Date: 05 October 2017

From : Financial Secretary

To : Supervising Officers-in-Charge of Ministries/Departments and
Accounting Officers**DISPOSAL OF USED TONERS AND PRINTER CARTRIDGES –
THROUGH RECYCLERS AND EXPORTERS**

As you are aware, used toners and printer cartridges are hazardous to health and have a short lifespan but take landfill space when disposed of at Mare Chicose.

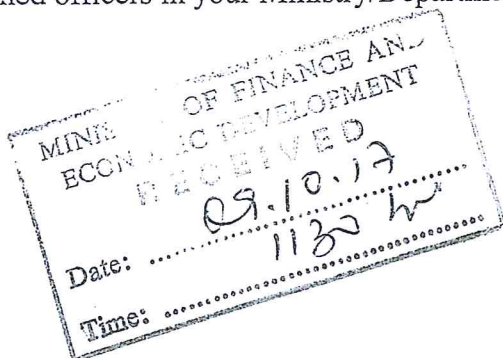

Accordingly, with a view to contributing in the reduction of the volume of toxic wastes going for landfilling, approval has been obtained, as a matter of policy, for Ministries and Departments to avail themselves of the services of recyclers and exporters to dispose of used toners and printer cartridges as well as unserviceable printer/photocopier parts, free of charge on Goods Form No.5. A list of registered recyclers and exporters is attached herewith.

You are kindly requested to ensure that used toners and printer cartridges are collected, recorded and examined by a Departmental Officer prior to issuing them to any of the registered recyclers and exporters nearest to your Ministry/Department.

With regard to the disposal, by the same method, of unserviceable printer/ photocopier parts, a Technical Diagnosis Report should be prepared in compliance with Financial Instructions No.17 of 2012 issued under Circular No.17 on 14 December 2012 under the Financial Management Kit (FM Kit) by this Ministry before delivering such parts to the recyclers and exporters.

A list of all used toners and printer cartridges as well as unserviceable printer/ photocopier parts issued to the recyclers and exporters should be submitted to the Director (Procurement and Supply).

It would be appreciated if the contents of this Circular could be brought to the attention of all concerned officers in your Ministry/Department.

K. Mosafeer
for Financial Secretary

Registry of registered recyclers and exporters

Company Name	Name	Telephone No.	Mobile No.	Address	E-mail	Activity	Brands collected
